Your Itinerary in Detail

Himachal Pradesh is colloquially called Dev Bhumi, which translates to Land of the Gods; the sheer number of temples in this region stands testimony to that. Unsurprisingly, this route will be a treasure-trove for the religiously-inclined. The mountainous terrain also makes the state a hot-spot for hiking, trekking and adventure-sports activities, which should make this journey perfect for thrill-seekers as well.

Day 1 Arrive Chandigarh

 **Hotel** Hotel 6 Zirakpur Or Similar

 **Arrive at the airport/railway station, proceed to car rental agency to pick up your rental car and drive to the hotel in Chandigarh.**

On arrival at the airport / railway station in Chandigarh, you will be transferred to your hotel, where your rental car will be delivered to you.

 **Visit to Sukhna Lake.**

Later in the evening, drive to Sukhna Lake, an inseparable part of Chandigarh City. It is an artificial lake at the foothills of the Sivalik Range. It is a great picnic spot and also the venue for many festive celebrations - the most popular is the Mango Festival held during the monsoons when varieties of mangoes are put on display. For the water-sport enthusiasts, boating, rowing, sculling, sailing, kayaking, water surfing and skiing can be enjoyed throughout the year. The lake is also a sanctuary for exotic migratory birds like the Siberian duck, storks and cranes during winter months; it has been declared as protected national wetlands by the Government of India.

 **Visit the Rock Garden, Zakir Hussain Rose Garden and Open Hand Monument.**

Today after breakfast, start your drive by visiting the Rock Garden, brainchild and work of Nek Chand, and also the city's prime attraction. It's known for its statues and structures, all of which are made from construction waste and discarded household objects. Chandigarh is also home to Asia's largest rose garden, the Zakir Hussain Rose Garden. It hosts Chandigarh's annual Rose Festival, held from February-March. Le Corbusier's Open Hand Monument is a spot you should visit after sunset: the hoisted hand symbol looks attractive when all its lights and decorations are switched on. Driving enthusiasts will appreciate Chandigarh's open roads and well-planned streets, a welcome chaos from virtually every other place in India.

 **Drive from hotel in Shimla to hotel in Barot.**

After breakfast, make an early exit from Shimla to escape the city traffic. You will take NH 205 until Ghaghas, and then switch to NH 154. Pit-stops on this route are few and far between, so carry snacks along. Notable pit-stops en route include Hotel Raja, located about 110 km from Shimla, and Visco Resort, Mandi, about 140 km from Shimla. Stay on the NH 154, which will go left from Mandi, across River Beas, past the Bhimkali Temple. The diversion for Barot on NH 154 is 40 km from the river crossing, and is easy to miss. Kamal Bhojanalay is the landmark you need to look out to spot the turn for Barot. Barot itself is another 25 km section of winding roads after the turn. Once you reach the village, check-in to the hotel.

After breakfast, start off with the Bhagsunag Waterfall as it is most scenic in the morning. Entry to the waterfall is via the Bhagsunag temple, dedicated to Lord Shiva. You need to hike for another 800 m from there. The view of the valley from the waterfall is worth the hike, though. Next, visit the St. John's in the Wilderness Church. Dedicated to John the Baptist, it is popular for its architecture and intricate Belgian-style, stained-glass windows. It is also the burial ground of Lord Elgih who was briefly the Governor-General and Viceroy of India in the 19th century. The road between Bhagsunag and St. John's in the Wilderness goes to Tushita Meditation Centre. On the way back to Dharamshala, visit the Tsuglagkhang Complex, the Buddhist hub of Dharamshala and home to the Dalai Lama.

Explore local Manali during your first day at the hill station, mostly Old Manali. Manali is believed to be where Sage Manu stepped on to land from his arc to restore life and humanity after a great deluge submerged the world. The Manu Temple located in Old Manali is the sole temple in the world dedicated to the sage. The more prominent shrine in Old Manali is the 500-plus-year-old Hadimba Temple. This temple is named after Hadimba, the demon wife of Bhima, the Pandava from Mahabharata. The temple's compound also houses a smaller shrine dedicated to Ghatotkach, the son of Bhima and Hadimba.
